

OXYGEN REGULATORS

Variety of Options Available for Your Needs

WE CARE LIKE FAMILY™

FEATURES AND BENEFITS

- Click-style flow control that is dependable and convenient
- Regulators offer a multitude of liter flow options of up to 25 liters per minute depending on the style
- Mini regulators offer the same function as standard regulators while facilitating an easier fit into oxygen carry bags
- Both of our Extended Regulators work with our Reorder No. 5701 Bubble Humidifier
- Outlet Pressure: 50 PSI
- Inlet Pressure: 2200-2600PSI

CYLINDER WRENCHES

- Small cylinder wrenches designed for use with small medical oxygen cylinders
- Constructed of durable plastic
- Makes it easy to engage medical post valves
